FLC UPDATES

TO CARE FOR THE EARTH – OUR HOME – IS OUR CALLING

This is our topic to celebrate the FLC this September 2023 or any day of the year you like to for your group. Here in the Philippines, it is every September. And it is not just the women celebrating; it is the entire local and national Church!

The ICFLC Annual Meeting (AM) will be in-person on November 08 to 11, 2023, right after attending the 17th Asian Church Women's Conference Quadrennial Assembly on November 06 to 08, at the Presbyterian Bible College in Hsinchu, Taiwan. The AM is focused primarily in finalizing a two-year strategic plan to help the FLC movement become more vibrant and expansive. FLC grants applications (projects and scholarships) will also be deliberated on at the meeting.

We thank and praise God for our gracious host, the Presbyterian Church in Taiwan (PCT) and its Women's Ministry Committee, both for the Asian Church Women's Conference assembly and the ICFLC AM. Let us pray for PCT and her ministries for Taiwan and its people. Also, pray with us for a fruitful gathering of the Asian Church Women's Conference and the ICFLC AM.

Let us continue to pray for justice and peace concerns around us, and then set aside our least coin offerings as a symbol of our commitment to work with God. Let us remember our siblings in Myanmar, Manipur (India), Ukraine.....and other countries torn in violence and poverty; and/or are ravaged by calamities, disasters and wars.

Help us to be part of the answers to our prayers, O God! Amen.

The 2023 FLC Call to Prayer was a success as indicated by higher number of attendance and with more people interested about it. Let us hope and work for a broader and bigger one in 2024, and to make this a yearly tradition to look forward to.
