

ACWC - Mongolia brief report

As the world faced the COVID-19 pandemic challenges, we were out to cut most of the activities but were able to run a few of them during the 2020-2021. ACWC Mongolian women team did the best by connecting the networks online and carried a prayer chain for one another.

ACWC members Munkhtuul Sodnomtseren and Tserendavaa Otgonbayar took the assignment to serve on the board of the Women Ministry (WM) of the Mongolian Evangelical Association (MEA). Mongolian Evangelical Association (MEA) is one of the strategic partner and valued network in Mongolian context. We should mention a brief about MEA is the only representative alliance to serve and represent a Christian community before the government of Mongolia.

MEA gathers a membership of over 600 Protestant churches in the country. ACWC actively participated in all the events and meetings organized by the WM of MEA.

The major event named "Christian Women of Mongolia 2023" was successfully developed and finalized the strategic plan of each sector up to 2030. The sectors are involving women leadership in each sector as God blesses:

- i) Church;
- ii) Government and Law;
- iii) Family;
- iv) Education;
- v) Health;

- vi) Business;
- vii) Arts and Entertainment;
- viii) Media.

The biblical base for the movement is derived from [Revelation 17:1–18](#), wherein [verse 9](#) reads, "And here is the mind which hath wisdom. The seven heads are seven mountains".[\[5\]](#) The seven areas which the movement believe control society and which they seek to control are family, religion, education, media, entertainment, business, and government.[\[5\]](#) They believe that their mission to take over the world is justified by [Isaiah 2:2](#) "Now it shall come to pass in the latter days that the mountain of the Lord's house shall be established on the top of the mountains."[\[4\]](#)

By fulfilling the Seven Mountain Mandate they can bring about the [end times](#).[\[4\]](#)

To the partnering and participation in MEA Women's committee gives ACWC Mongolia members a wide-open door and opportunity to promote about ACWC and FLC through National Prayer Day for Children and Mothers.

Meanwhile, National Representative Munkhbayar B held a few times face to face meetings with AWCW members for spiritual engagements and fellowships. These in-person or small groups meetings had a buildup moment during the time of uncertainty.

There are twelve ladies continuously praying until these days for government of Mongolia with faith and believe that God will do revival in our nation. Most of the meetings held online on weekly basis, including a Gods word and prayers (average number of the meetings are 100).

Special seasons such as Christmas and Easter, followed by liturgy from ACWC teams. We always respect and enjoy our connection with ACWC sisters by various online meetings and looking forward to seeing them again in October 2023!
