Celebrating International Women's Month 2020

The yearly International Women's Day celebration in the Philippines was held on March 7, Saturday, at St. Scholastica's College in Manila. The meaningful worship, lively sharing and prayers inspired the participants to commit to **"Rise Up for Justice, Unite for Peace!"**

This theme was expounded in the present Philippine context by ecumenical women leaders, to around 300 women and some men participants.

The 40th ICFLC Annual Meeting

Due to the COVID-19 pandemic the ICFLC has decided that the Annual Meeting in October 2020 to be held in Puerto Rico and hosted by the Latin American Council of Churches (CLAI) will be cancelled. Instead, a virtual meeting will be held.

Due dates for all FLC Grants applications were adjusted, as follows:

Project Grants (PG) –**August 30/2020**

Bursary for Older Women (BOW) and Scholarship Award for Young Women (SAYW) –
September 15/2020

Kindly note that application forms must be received at the ICFLC Office by the Executive Secretary, on or before these due dates. Application forms are available upon request from our Regional Representatives.

Circle of Prayer Volume 25 (CoP 25):

We Lift Our Voices for the Integrity and Well-being of God's Creation!

The CoP 25 will be printed as soon as the lockdown in Dasmariñas City (where the ICFLC Office is located) is over, maybe by end of May 2020. Hard copies are available for free upon request. However, postage fees will be asked from the requesting body as ICFLC.

Not all reflections and prayers can be printed. But these un-printed reflections will be posted on the FLC website, together with contributions written in non-English language. The FLC Facebook page will feature one CoP reflection each month. In case you have not yet be-friended us, send a friend request. Look for icflc.FLC in Facebook.

ACWC (temporary) Website: Flc.net.ph/acwc/index.html

The Asian Church Women's Conference has now a website for you to visit for some news, updates and prayers. It still needs a lot of improvement, but we do now have a home site for ACWC. Let us hope this website would help us ecumenical women in Asia get more connected virtually. Your suggestions and comments are welcome!

New FLC Bank Details

We now have new FLC bank details to receive FLC Offerings and to send payments for grants. ICFLC has concluded its treasury work beginning this year 2020 with the World Council of Churches (WCC) in Geneva, Switzerland. This move will provide us with direct access to our finances, thus enabling us to have more efficient and timely communication

with our global partners and supporters. WCC still remains FLC's faithful partner and member. We are very grateful for WCC's generous support and accompaniment to the FLC movement!
