Special focus on FEMICIDE/FEMINICIDE

"The weight of being a young girl child is dark in these times. Your existence automatically makes you a prey and every day you pray that your breath won't be raped away.

What is it that that men want from us?

We gave them life and now they want to take ours from us. Surely this cannot be. It's as though someone will pinch me and say: "Relax Obuhle, this is just a dream."

But how when I can't leave my house without sending my location?

Because I might not make it to my destination.

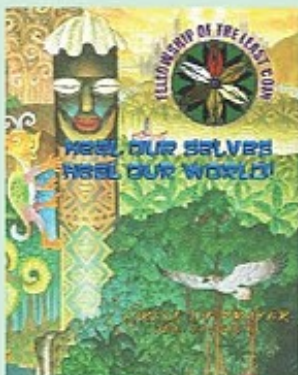

Nowadays it seems that my destination is them ending up between my legs and my life brutally murdered in a man's hands."

(PRAYER - The Evangelical Alliance of South Africa (teasa.org))

An average of 133 women and girls are killed every day by an intimate partner or family member, according to UN Women. Like all forms of sexual and gender-based violence against women and girls, femicide or feminicide - the killing of women on account of their gender - is a tragedy that affects every country and territory across the globe.

How can we address the societal norms and structures that perpetuate femicide, and help seek healing and justice?

If you have some ideas and are doing something to respond to this urgent issue, let us explore ways to work together.

"HEAL OUR SELVES,
HEAL OUR WORLD!"
The FLC Circle of Prayer
(CoP v. 27) is also now
available. Let us hear from
you about your feedback
and share how you used it.
With pictures would be
lovely.

THANK YOU!...
and see you next year,
for the 2025 FLC CALL TO
PRAYER

Africa, Canada, USA, Asia. This time the groups are bigger in number of at least 40 or more participants. The Africa Call hosted by the All-Africa Conference of Churches (AACC) was joined by the Pacific Conference of Churches (PCC), and some men. In Asia the Asian Church Women's Conference (ACWC) and the Christian Conference of Asia (CCA) facilitated a joint Call.

Join a Call next year or organize one in your region in coordination with your FLC Regional representative. Dr. Liza B Lamis would be very happy to join you if invited to share about the FLC.

PRAY WITH US!

For a fruitful 44th Annual Meeting of the International Committee for the FLC (ICFLC) on October 21 to 25, 2024 via online. We shall be finalizing our Strategic Plan, deliberating on the FLC grants applications and reviewing policies and guidelines, praying for the FLC movement and reminding ourselves of FLC's reason of being.
